MEMORANDUM FOR:

Mr. Glenn Seaborg
Chairman, Atomic Energy Commission

SUBJECT:

Comment on Commissioner Haworth's
Proposed Testimony Before the Senate
Preparedness Investigating Subcommittee

We have received the draft of Commissioner Haworth's proposed testimony and the accompanying request for CIA concurrence. The Director of Central Intelligence prefers that we confine our role to examining the paper from an intelligence point of view. Your draft has been reviewed by our scientific staff and we have no difficulties with the intelligence content of the text.
